PRIVACY ON DEMAND

Oryx Switchable Film introduces the option to shift seamlessly between transparency and an opaque state at a moment's notice, bringing a new dimension to your already magnificent spaces.

NO MORE BLINDS OR CURTAINS

ADDITIONAL BENEFITS

- UV RESISTANT
- ENERGY EFFICIENT
- EASY MAINTENANCE
- PROMOTES HYGIENE
- MOBILE OPERATION
- ALLOWS REAR PROJECTION

FITTED ON GLASS DOORS, WINDOWS AND PARTITIONS

Shift seamlessly between transparency and opaque at the touch of a button.

This smart solution for controlling the amount of light or heat entering a room eliminates the need for blinds or curtains.
